**COMPLAINT**

Plaintiff, WAYNE THOMAS, through his undersigned counsel, hereby files this Complaint and sues KCC HOLDINGS, LLC, a Texas Limited Liability Company, for injunctive relief, attorneys' fees and costs pursuant to 42 U.S.C. § 12181 *et seq.*, ("AMERICANS WITH DISABILITIES ACT" or "ADA") and alleges:

**JURISDICTION AND PARTIES**

1. This is an action for declaratory and injunctive relief pursuant to Title III of the Americans with Disabilities Act, 42 U.S.C. § 12181, *et seq.*, (the "ADA"). This Court is vested with original jurisdiction pursuant to 28 U.S.C. §§ 1331 and 1343. This Court has supplemental jurisdiction over the subject matter of all other claims pursuant to 28 U.S.C. §1337(a).

2. Venue is proper in this Court pursuant to 28 U.S.C. §1331(b), because the Defendant's Property, which is the subject of this action, is located in Harris County, Texas.

3. Plaintiff, WAYNE THOMAS (hereinafter referred to as "MR. THOMAS" or "Plaintiff"), is a resident of the State of Texas in Harris County.

4. MR. THOMAS is a qualified individual with a disability under the ADA. MR.

THOMAS is paralyzed from the waist down. MR. THOMAS is a paraplegic and uses a wheelchair as his primary means of mobility.

5. Due to his disability, Plaintiff is substantially impaired in several major life activities, such as walking and standing, and requires a wheelchair for mobility.

6. Defendant, KCC HOLDINGS, LLC, a Texas Limited Liability Company (hereinafter referred to as "Defendant"), is registered to do business in the State of Texas. Upon information and belief, Defendant is the owner, lessor and/or operator of the real property and improvements which are the subject of this action, to wit: the "Property," Timber Creek Crossing, generally located at 5404 State Highway 6 North, Houston, Texas 77084.

7. All events giving rise to this lawsuit occurred in the Southern District of Texas.

**COUNT I**  
**(VIOLATION OF TITLE III OF THE ADA)**

8. Plaintiff realleges and incorporates into this cause of action each and every allegation contained in the previous paragraphs of this Complaint.

9. The Property, a retail shopping plaza, is open to the public and provides goods and services to the public.

10. Plaintiff has visited the Property multiple times and attempted to utilize the goods and services offered at the Property and plans to return to the Property in the near future.

11. During his most recent visit, MR. THOMAS experienced serious difficulty accessing the goods and utilizing the services therein due to the architectural barriers discussed in this Complaint. Moreover, but for the inaccessible condition of the Property, Plaintiff would like to visit the Property more often.

12. Due to the barriers, Plaintiff has been unable to, and continues to be unable to, enjoy

full and equal access to good and services offered at the Property, owned, leased, and/or operated by Defendant. Additionally, MR. THOMAS continues to desire to visit the Property, but fears that he will again encounter serious difficulty and safety hazards due to the barriers discussed herein which still exist.

13. Defendant has discriminated, and continues to discriminate, against Plaintiff in violation of 42 U.S.C. § 12181 *et seq.* and 28 C.F.R. § 36.302 *et seq.* by excluding and/or denying Plaintiff the benefits of the goods and services located on the Property by failing to provide and/or correct the following barriers to access which Plaintiff personally observed, encountered, and which hindered his access:

- A. Plaintiff personally encountered inadequate disabled parking throughout the Property due to lack of designated accessible parking spaces. Specifically, the Property only has one (1) space identified for disabled use despite needing at least four (4). This lack of spaces made it difficult for Plaintiff to park his vehicle safely and transfer to his wheelchair;
- B. Plaintiff personally encountered inaccessible parking designated as accessible due to built up curb ramp protruding into access aisle. Specifically, there is a curb ramp that protrudes into the access aisle of the designated disabled use parking space located in front of Stop N' In Food Mart. This condition made it difficult and unsafe for Plaintiff to safely exit his vehicle and maneuver over the ramps, as well as increased his risk of fall;
- C. Plaintiff personally encountered inaccessible curb ramp on the designated accessible route. Specifically, the aforementioned curb ramp located in the

disabled use access aisle has an excessive slope and excessively sloped side flares. These conditions made it difficult and dangerous for Plaintiff to traverse the ramp;

- D. Plaintiff personally encountered inaccessible routes throughout the Property due to excessive cross slopes, lack of curb cuts, inaccessible sidewalk and entrance on the designated accessible route. These conditions made it difficult and unsafe for Plaintiff to travel throughout the Property and increased his risk of fall; and
- E. Plaintiff personally encountered inaccessible entrance at Washeteria due to lack of level landing in the pull side clearance of entrance. This condition made it difficult and dangerous for Plaintiff to open the door.

14. Upon information and belief, there are other current violations of the ADA and the ADA Accessibility Guidelines (“ADAAG”) at the Property, and only after a full inspection is performed by the Plaintiff or Plaintiff’s representatives can all said violations be identified.

15. To date, the readily achievable barriers and other violations of the ADA still exist and have not been remedied or altered in such a way as to effectuate compliance with the provisions of the ADA.

16. Independent of his intent to return as a patron to the Property, Plaintiff additionally intends to return to the Property as an ADA tester to determine whether the barriers to access stated herein have been remedied.

17. Removal of the barriers to access located on the Property is readily achievable,

structurally feasible and easily accomplishable without placing an undue burden on Defendant.

18. Removal of the barriers to access located on the Property would allow Plaintiff to fully utilize the goods and services located therein.

19. The Plaintiff has been obligated to retain undersigned counsel for the filing and prosecution of this action. Plaintiff is entitled to have his reasonable attorneys' fees, costs, and expenses paid by Defendant.

**PRAYER FOR RELIEF**

WHEREFORE, the Plaintiff demands judgment against Defendant and requests the following injunctive and declaratory relief:

- A. That the Court declare that the Property owned, leased, and/or operated by Defendant is in violation of the ADA;
- B. That the Court enter an Order directing Defendant to alter its facility to make them accessible to and useable by individuals with disabilities to the full extent required by Title III of the ADA;
- C. That the Court enter an Order directing Defendant to evaluate and neutralize its policies and procedures towards persons with disabilities for such reasonable time so as to allow Defendant to undertake and complete corrective procedures;
- D. That the Court award reasonable attorneys' fees, costs (including expert fees), and other expenses of suit, to the Plaintiff; and

E. That this Court award Plaintiff such other additional and proper relief as may be just and equitable.
